Description

One Phone. Every Platform.
Built to Outlast the Rest.

North American-engineered Mitel 6900 Series Open SIP phones your customers will love you for. Superior reliability and enterprise security mean fewer support calls, stronger relationships, and recommendations that enhance your reputation.

Specifications**Advanced Wireless Desk Phone protected with antimicrobial plastics ??**

- 44 programmable keys (via pagination) and context sensitive keys, the most in its class, supports supervisors who need speed and control.
- Integrated Wi-Fi and Bluetooth simplify wireless setup and headset pairing. ?
- BioCote-treated plastics that inhibit the growth of certain bacteria on the phone surfaces, with redesigned handset that minimizes crevices and holes that might collect germs, dirt, and grime.
- Delivers the same advanced performance as the 6930w, with added long-term resilience for demanding environments.
